FACULTY PROFILE

Ms. N. Rohini, M.E.

Assistant Professor

Department of Computer Science and Engineering

Saveetha Engineering College (Autonomous), Chennai

Date of Joining: 15 March 2010

PROFESSIONAL HIGHLIGHTS

- Teaching service at Saveetha Engineering College since 15 March 2010.
- Published patent: 1

PROFESSIONAL LINKS AND FACULTY IDENTIFIERS

- Anna University Faculty ID : 2685201982
- Institutional email: rohininn@saveetha.ac.in
- AICTE Faculty ID: 1-504448655

IoT Based Smart Schedule Reminder and Work Progress Generator on Daily Basis to Improve the Employees' Work Efficiency

- Application No.: 202141008103
- Publication Date: 5 March 2021
- Status: Published

PATENT OVERVIEW

The invention describes an IoT-enabled scheduling and work-progress system that consolidates information from email, WhatsApp, SMS and user-entered schedules. It is designed to notify users about upcoming commitments, identify overlapping events and track task progress to support effective planning and productivity.
