5. Faculty Research Dashboard (Maximum 300 Words)

Dr. P. Periasamy is an accomplished academician and researcher with more than twenty years of experience in teaching, research, accreditation, and institutional development in higher education. He holds a Doctorate in Business Administration with specialization in Finance and currently serves as Associate Professor of Finance at Saveetha Engineering College (Autonomous), Chennai. He has played a significant role in NAAC, NBA, AU, and NIRF accreditation processes and has contributed to outcome-based education and quality assurance initiatives.

Dr. Periasamy's research interests include finance, fintech, sustainable business practices, digital transformation, artificial intelligence in management, investment behavior, and management pedagogy. His doctoral research examined investor

perception towards the Indian commodity derivatives market, reflecting his strong grounding in applied financial research.

He has an extensive publication record with more than 130 scholarly contributions comprising journal articles, conference papers, edited volumes, and book chapters. His work has been published in Scopus- and Web of Science-indexed journals and with internationally reputed publishers such as Springer, Taylor & Francis, CRC Press, Emerald, and Routledge. In addition to publications, he has filed nine patents with the Indian Patent Office, demonstrating his commitment to innovation-driven research.

Dr. Periasamy is a recognized Ph.D. research supervisor and has mentored postgraduate and doctoral scholars in finance and management disciplines. He actively serves the academic community as an editorial board member and peer reviewer for international journals, including SAGE publications, and regularly participates in international conferences as a reviewer, session chair, and scientific committee member.
