

1. Professional Background

V.R. Jaypreetha is a passionate Soft Skills and Reasoning Trainer and Assistant Professor in the Department of Training, with 3 years of experience and an M.A. in English Literature. She specializes in communication, leadership, emotional intelligence, and logical reasoning, using dynamic and engaging sessions to build critical thinking, problem-solving, and decision-making skills.

2. Highlights

- **Placement-Focused Training:** Trains students in Soft Skills, Verbal Ability, and Reasoning Ability with a focus on placement readiness.
- **Special Sessions:** Delivered a soft skills training programme for non-teaching staff, drivers, and housekeeping personnel at Saveetha Engineering College (2025).
- **Research Presentation:** Presented a paper on pedagogy tools for augmenting the communication skills of engineering learners at the International Conference on Advanced Technology in Engineering and Management, Dubai (March 2024).
- **Certifications:** Completed Swayam courses in Child Development Education and Educational Media (January–February 2025).

3. Professional Experience

She brings 3 years of experience as a Soft Skills and Reasoning Trainer, serving as Assistant Professor in the Department of Training. In this role, she delivers structured sessions in Soft Skills, Verbal Ability, and Reasoning Ability to strengthen students' communication, critical thinking, and problem-solving skills, with an emphasis on company-specific placement training, career development and counselling, and personality development.

She has contributed to curriculum enhancement through innovative and engaging teaching methodologies and mentors students to improve their communication, analytical, and overall employability skills.
